### WHY WON'T THE TRI-FAITH INITIATIVE SEVER LINKS WITH KNOWN SPONSORS OF TERRORISM?

Omaha, NE November 17, 2014– Dr. Mark Christian, the founder and Executive Director of the Global Faith Institute, has sent a letter to the members of the governing board of Omaha's Tri-Faith Initiative, asking them to abandon their present intransigence and answer one very reasonable question: "Why are groups known to the FBI as front operations for the Muslim Brotherhood involved in the Tri-Faith Initiative?"

Dr. Christian, the Global Faith Institute, and a great many citizens of Omaha call on the Mayor of Omaha, the Honorable Jean Stothert, to fulfill her promise to convene a city-wide public Town Hall meeting as soon as practicable, to discuss the issues and concerns regarding the associations of these known radical Islamist groups in Omaha.

A copy of the above-referenced letter is included with this Press Release.

Kindest regards,

Dr. Mark Christian

Executive Director
