# **Was the Election Stolen?**

By

Dr. Mark Christian

# Historical Perspective

1986 – The Uniformed and Overseas Citizens Absentee Voting Act

2002 – Help America Vote Act of 2000

amended by the Universal Right to Vote by Mail Act.

Until 2019 there were only 3 ways to Vote:

- At the Poll
- Absentee Ballots (voter requests a ballot by mail)
- Unsolicited Mail-In Ballots (from lists of registered voters)

# 2019 Act of 77 - Pennsylvania

Initially approved by the Attorney General; never voted on.  
Later the Supreme court of Pennsylvania passed.

- Allowed mail lists to be sent to third parties of anyone living in the state for any time period.
- Approved unsolicited mail in ballots and voter registration forms be sent and returned by third party to names on the lists.
  - The letter included a voter registration card and a ballot.
  - No ID was required.
  - Voter registration forms were not monitored.
  - Mail-in ballots were sent out 50 days prior to the election (longest period ever).
  - Have until 2 days after the election to get ballot in (later pushed to a week and unchallenged by the courts.)

# March 2020 – Act 12 of 2020

**Reason for Change:** Covid

**Justification:** necessary and Proper Clause of the US Constitution, Article 1, Sec. 8, Clause 18

ACT 12 of 2020 allowed other states to follow the PA model.

- Georgia
- Michigan
- Nevada
- North Carolina
- Wisconsin

# **What Could Possibly Go Wrong?**

- Integrity of the third parties
- No checks and balances
- No proof of eligibility
- No proof of registration
- No proof of valid ballot
- No trust in the process

# Challenges:

Texas challenged constitutionality of the states using the PA model.

Never challenged the PA model itself.

Standing: Congressmen/women & Senators

Could only be challenged in the Supreme Court

# Timing

- Chaos during the impeachment
- No one noticed
- Trump acted too late

# **How Do the Numbers Add Up?**

**Trump – 74 million**

**Biden – 80 million**

**Total – 154 million**

**Total number of registered voters  
132 million!**

# **Goal: Voter Integrity**

How:

1. Push Congress to challenge the constitutionality of the Pennsylvania Act of 77 and Act 12 of 2020.
2. Encourage the other five states to revoke Act 12 of 2020.
3. Don't allow Nebraska to implement the Pennsylvania at of 77 or Act 12 of 2020.
