## THE HISTORICAL & BIBLICAL PERSPECTIVE

Global Faith is pleased to bring you this extraordinary opportunity to get the facts about what's happening in Gaza and Israel and weed out the myths.

Our expert speakers, Dr. Mark Christian and Debbie Blank will address three aspects:

1. The history of the land and the Palestinians over the last 100 years.
2. The goals and charters of the Palestinians and Hamas, and the fighting between Israel and the Arabs over the last few decades.
3. Potential outcomes and prophecies arising from this war.

Associate Pastor, Kevin McDonald, will share some Biblical promises for Israel and lead us in prayer.
