Christianity Under Attack

Dr. Mark Christian

Lesson 5

1

Global Faith

Remember from last week?...

- What is the Liberal Christian theology?
- The Islamic teaching of *tahrif* (alteration) teaches that the current interpretations of Christianity and Judaism have corrupted the earlier monotheistic scriptures or earlier interpretations of them, while the Quran presents a pure version of their divine message.

2

Global Faith

Remember from last week?...

- Liberal Christian organizations
- Christian Socialist organizations
- Christian Communist organizations
- Christian Atheist organizations

VS

- The True evangelical Christian church.

Think about examples and how they are governed and operate

3

Global Faith

Remember from last week?...

- *Humanistic Judaism*

Humanistic Judaism, founded in 1963 in Detroit, Michigan by Rabbi Sherwin Wine, offers a non-theistic alternative in contemporary Jewish life. Humanistic Jews believe in creating a meaningful Jewish life **free from supernatural authority** and in reviving the secular roots of Judaism.

4

Global Faith

Remember from last week?...

- Reform Judaism

Established in Germany in 1845 by Rabbi Abraham Geige, it is now centered in North America, the United States, and Canada. Pew Research Center calculated it represents about 35% of all 5.3 million Jewish adults in the U.S.

Very liberal and evolving theology not limited to the theophany(Moses) at Mount Sinai. Warrants and obligates further modifications and rejects any fixed, permanent beliefs, laws, or practices.

5

Global Faith

Remember from last week?...

- Reform Judaism

- Jewish law is non-binding, and the individual Jew is autonomous and has a great openness to external influences and progressive values.

- Strongly identified with progressive and liberal agendas in political and social terms, the first to adopt gender equality in religious life.

6

Global Faith

Remember from last week?...

- *Reform Judaism*
- Reform Judaism does not believe in a return to the Holy Land of Israel for all the Jewish people or the building of a Third Temple.
- Therefore, calling their place of worship a temple is meant to replace the original Temple in Jerusalem.

7

Global Faith

Remember from last week?...

- *Reform Judaism*

The raised platform is called a Bimah in regular Jewish synagogues, where the Torah is read. The direction of prayer (*Mizrah*) is always Jerusalem.

But, in the reform Jewish temples, The prayer leader and Bimah are in the front, and the worship service is led facing the congregation.

8

Global Faith

Remember from last week?...

Suppose an entity wants to destroy the Western civilization from within, sabotaging and eliminating it using our own hands....

Would that entity find the liberal Christians, the socialist Christians, the communist Christians, and the atheists, as well as the Humanistic Jews and the reform Jews, very helpful in their endeavors?!

Could you name that entity and organization?!

Immigration vs. Migration

Global Faith

The report shows that the number of mosques continues to grow. 2,769 mosques were counted in the U.S. in 2020, compared to 2,106 mosques in 2010. The primary driving force for the increase in mosques is the steady expansion of the population of Muslims in America due to immigration and birth rates, according to the report.

Number of US Mosques Continues to Climb

But mosques are also becoming more suburban. A major decline occurred in the number of mosques located in towns and small cities and in downtown areas of large cities. Mosques in towns and small cities decreased from 20 percent in 2010 to 6 percent in 2020.

11

Global Faith

- **The highest number of mosques are in New York (343), California (304), Texas (224), Florida (157), and New Jersey (141), with New York gaining the highest number of mosques compared to 2011 (86 additional).**
- **65% of the USA mosques are run by Muslim Brotherhood organizations such as ISNA, ICNA..etc**
- **American Muslims attend the mosque at similar rates (58% for men and 35% for women)**

| 1. New York 1.2 m | 6. Atlanta |
| 2. Houston | 7. Dallas |
| 3. Los Angeles | 8. Dearborn |
| 4. Chicago | 9. Hamtramck |
| 5. Philadelphia | 10. Washington DC |

13

Global Faith

Immigration

- **Adopt the norms of the majority or host culture, often losing (intentionally and unintentionally) aspects of their culture to co-exist.**
- **13.8%, of the USA today are immigrants**
- **Benefits both natives and newcomers. By taking in or being absorbed into the cultural tradition of the native population, newcomers are better able to communicate and integrate into society and workplaces.**

14

Global Faith

Immigration

- **Learning the language enables immigrants to form personal and professional relationships and live happier and more prosperous lives.**
- **Natives benefit from these new friendships and associations.**
- **They may be more open and helpful to immigrants interested in assimilation, and everyone in the country may be better off with increased economic activity and positive social and civic relationships.**

15

Global Faith

Migration

- **Migrants also travel for financial gains, education, or personal benefits.**
- **But migrants work hard to keep their culture, beliefs, and behaviors alive, surviving against the odds.**
- **They continue to live as their homeland does and form enclaves and small communities to imitate everything they have left behind.**
- **Think of the nomadic migration and bird migration.**
