Christianity Under Attack

Dr. Mark Christian

Lesson 4

1

Global Faith

Remember from last week?...

- How did Islam spread?
- Islam is not LOVE or PEACE but Enslavement to Allah, the slavery of the heart, senses, tongue, and limbs to Allah

2

Global Faith

Remember from last week?...

- Mohammad's success *in eliminating his critics and victory against his enemies* was one of his heavenly and most notable miracles.
- Only a tiny fraction of the people who came under Arab Muslim control converted to Islam. It took three centuries and years of oppression for people to submit and adopt Islam as a religion finally.

3

Global Faith

Supersessionism Replacement theology

- Islam teaches that it is the final and most authentic expression of Abrahamic monotheism, superseding Judaism and Christianity. (Revert)
- The Islamic teaching of **tahrif** (alteration) teaches that the current interpretations of Christianity and Judaism have corrupted the earlier monotheistic scriptures or earlier interpretations of them, while the Quran presents a pure version of their divine message.

4

Global Faith

Supersessionism Replacement theology

- Liberal Christian groups and preachers affirm that non-Christians have a valid way to find God within their own practiced faith.
- They argue that Christians should shift to the Great Commandment and enough of the Great Commission.

5

Global Faith

Supersessionism Replacement theology

Deliberate Misuse and Wrong interpretation of the gospel. For example, Mark 16 17-19

- They advise that Let's leave this "great commission" where it belongs: with the twelve apostles whom the Lord Jesus sent to preach the good news of the earthly kingdom because we can not :
 - Cast out demons
 - Speak with new tongues
 - Take up serpents
 - Drink anything deadly without harm
 - Lay hands on the sick who will recover

Christian Socialism & Christian Communism

- **Christian Socialism blends Christianity, and Socialism believes capitalism to be idolatrous and rooted in the sin of greed.**
- **The Christian Church exists for the sole purpose of saving the human race. So far, she has failed, but Socialism shows her how she may succeed.**

7

Global Faith

Christian Socialism & Christian Communism

- **Socialism IS the New Testament: "Socialism is the embodiment of the teachings of Jesus, and that it would also rescue the church.**
- **Christian Socialists and communists are bent on changing the church. Asserting that Socialism was not anti-religion but was opposed to those who would use Christianity to support capitalism and the *status quo*.**

8

Global Faith

Christian Socialism & Christian Communism

- **Socialism will be rescuing the Christian faith from the impious vermin who make it dangerous to the really religious men and women.**
- **Christian anarchists say anarchism is inherent in Christianity and the Gospels, grounded in the belief that there is only one source of authority to which Christians are ultimately answerable—the authority of God as embodied in the teachings of Jesus. It rejects the idea that human governments have ultimate authority over human societies. Christian anarchists denounce the state, believing it is violent, deceitful, and idolatrous when glorified.**

9

Global Faith

Christian Socialism & Christian Communism

- **Karl Marx's early writings stated, "Christ is the intermediary unto whom man unburdens all his divinity, all his religious bonds, so the state is the mediator unto which he transfers all his Godlessness, all his human liberty."**

Atheism

- A survey from the University of Kentucky states that 26% of Americans are atheists.
- The Pew Research Center asserts that atheists are the fastest-growing “religious” demographic in the United States.
- Terms like humanist, freethinker, bright, or even a “cultural Catholic” and “lack belief in a god” are all atheists.
- **94% of atheists say that:**
 - “religion causes division and intolerance”
 - “religion encourages superstition and illogical thinking.”
 - “religion does more harm than good in American society.”

Who is attacking the Church?

The Socialist/Communist/Atheist movement

- **Karl Marx** 5 May 1818 – 14 March 1883
- He began life in a God-fearing family Jewish who converted to Christianity).
- But a drastic change at some point in his life led Karl Marx to a deep personal rebellion against God and all Christian values. Eventually he became a **Satan worshiper** who regularly participated in occult practices and habits.
- “Thus Heaven I’ve forfeited, I know it full well,” Karl Marx wrote in 1837, a decade before his Manifesto. “My soul, once true to God, is chosen for Hell.

Communist Goals

**Congressional Record--Appendix, pp. A34-
A35 January 10, 1963**

21. Gain control of key positions in radio, TV, and motion pictures.

25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.

13

Global Faith

- 26. Present homosexuality, degeneracy and promiscuity as "normal, natural, healthy."
- 27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."

Who Else is Attacking the Church?

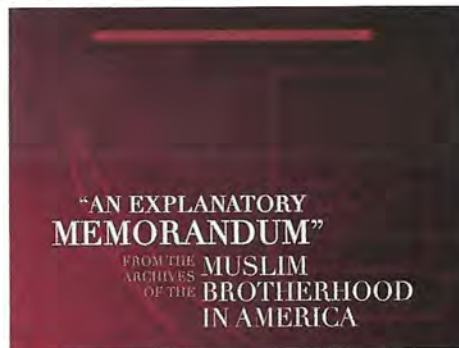

The Muslim Brotherhood in the united states:

- **ISNA** - The Islamic Society of North America.
- **MSA** - The Muslim Students Association.
- **CAIR** - The Council on American-Islamic Relations

From the Explanatory Memorandum— the Muslim Brotherhood in America in its own words:

"The process of settlement is a 'Civilization-Jihadist Process' with all the word means. The Ikhwan [Muslim Brotherhood] must understand that their work in America is a kind of grand jihad in eliminating and destroying the Western civilization from within and "sabotaging" its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions."
